Discover colour.

Made from high-quality pigments, Winton Oil Colours are durable, lightfast and permanent. Delivering consistent colour every time. Their ready-to-use formulation mean you can effortlessly work at scale.

Expert colour. Endless possibilities.

winsornewton.com

Designed to look and behave like traditional oil paint.

Formulated to be thinned and cleaned with water. Great for artists who share a workspace or have a sensitivity to solvents.

Made from quality, fine art pigments.

**WINSOR
&
NEWTON™**

Artisan Water Mixable Oil Colour

Substitute hazardous solvents for water without any compromise on quality, designed to look and work just like traditional oil paint.

Tombow LOVED BY **WAYNE THOMPSON**

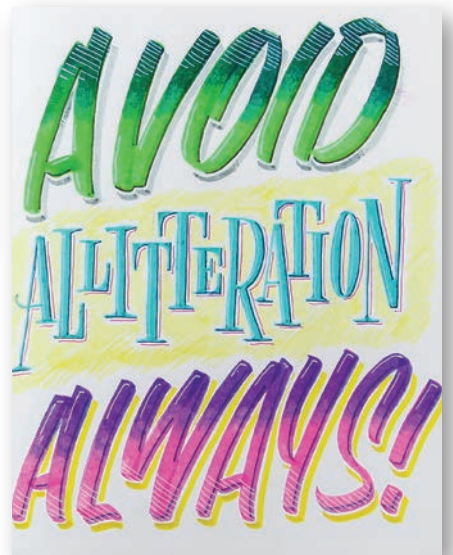

“Dual Brush Pens, my preferred brush pens”

Wayne Thompson is a Type Designer and Lettering Artist based in Newcastle, NSW. His work ranges from creating custom typefaces and fonts for his clients' brands to hand lettering commissions and workshops.

“I favour using brush pens for my art and I have been using the Tombow Dual Brush Pens for many years! It has a very flexible brush tip which gives me the control to transition from thick to thin lines very quickly and smoothly. The range of 108 colours is also a winner!”

Wayne's undeniable passion and creativity is clearly reflected in his unique lettering style which he cleverly applies to quirky quotes and shares on his socials for all to enjoy!

To learn more about the Artist, his tutorials and workshops, visit www.atf.com.au/learn-handlettering-online/
