- Jasart Foam Sheets
- Jasart Joggle Eyes
- Jasart Feathers
- Jasart Glue Gun
- Jasart Byron Acrylic Paint
- Jasart Paint Brush
- Jasart Markers
- Jasart Cutting Mat
- Scissors

Adult supervision required. Sharp knives and scissors should be restricted to adult use.

What you do:

1. Paint 3 wooden sticks and set aside to dry. 1 White (Bunny), 1 Yellow (Chicken) and 1 Green (Flower).
2. Cut a large oval shape from the white foam sheet and the same shape from the yellow foam sheet.
3. Glue 2 joggle eyes onto the centre of each oval shape and then cut out small triangles for the bunny nose and the chicken's mouth. Glue into place.
4. Use a marker to draw facial accents onto the foam.
5. Feathers and further foam will create bunny ears and chicken feathers. Glue these and the wooden stick onto the back of the face to create your Easter puppet!
6. Select colours for your flower and use the remaining foam sheets to cut out petals and leaves. Glue into place on the wooden stick painted green.
7. Repeat the process until you have as many Bunnies, Chickens and Flowers that you require.
8. Place around your garden before commencing your Easter Egg hunt!
